

Nottingham Croquet Club

Membership Information & Application Form

The Club has the use of five magnificent lawns and a pavilion. It provides all the necessary equipment (mallets, balls, hoops), so players only have to bring flat-soled shoes. The pavilion has cloakroom, kitchen and bar facilities and a telephone.

The lawns are available for use all day seven days a week from mid April to early October (except when there are tournaments). Tuesdays are club days and (weather permitting) members will turn up and play both afternoon and evening. Most games are arranged informally between members: coaching is given freely by experienced players, and courses for beginners are run in June.

The Club is affiliated to the Croquet Association which is the national body of the sport, and holds several tournaments each year which attract players from across the country.

Membership

The subscription rates for 2010 are £105 for full members, £85 for country members (living more than 20 miles away), £25 for far country members (living more than 50 miles away), £20 for students and £15 for juniors. A reduced rate of £65 for full members and £50 for country members applies for players in their first two seasons. Members do not pay green fees.

If you wish to try the game you can apply to join for an introductory period for £35. That includes an initial five-part coaching course and membership of the club for another month: it is deductible from the first-year subscription if you continue to play.

For more information visit our website www.nottinghamcroquet.org.uk, or talk to the Hon Secretary Ian Vincent, telephone 0115 925 3664, email Ian.Vincent@Cantab.net. To join the club complete the application form below and give it to a Committee member with the appropriate subscription.

Application Form

I apply for full / country / far country / student / junior / coaching / non-playing membership (*please circle the appropriate category*) of Nottingham Croquet Club and agree to be bound by its rules. I consent to my data being held on computer for the purpose of club administration.
