

## Nottingham Croquet Club Equality policy

### Equality Policy

Nottingham Croquet Club is inclusive and accessible to all. Our culture and practices welcome diversity and promote equality of opportunity and we will tackle all forms of discrimination. We are proud of our sport's long-established, high standards of integrity and fair play and we will strive to maintain them. We will ensure everyone involved in our club understands that direct or indirect discrimination, harassment, victimisation, bullying or lack of respect for others will not be tolerated in our club.

Our equality policy protects people from discrimination on all grounds, including but not limited to:

Race

Gender

Sexual orientation

Disability (or something connected with their disability)

Religion or belief

Age

If anyone has cause for complaint or concern they should raise the matter, in the first instance, with either the club President or the club Chairman and it will be investigated in a timely, confidential and sensitive way.

Nottingham Croquet Club, as a member of the sport's National Governing Body, the Croquet Association, subscribes to its Equality policy, which can be viewed in full at <https://www.croquet.org.uk/?p=ca/gov/policies/equality>
